product specifications

BASIS WEIGHT	GSM	BRIGHTNESS	OPACITY	SMOOTHNESS	CALIPER
79	117	92	94	330	7.0 MIN

product features

- 92 brightness with a pleasing blue-white shade
- Excellent opacity for minimal show-through
- Suitable for all of your printing and 7 pt mailing requirements
- Special surface treatment enhances print quality and improves optical density for pigment inks
- Available in rolls

common uses

- Direct mail
- Business Return Card
- Transactional End-Uses

usps postal regulations

- 7pt is made to caliper and complies with U.S. Postal Service regulations

environmental characteristics

- Sustainable Forestry Initiative® (SFI®) Certified Sourcing
- Made with Elemental Chlorine Free (ECF) virgin fiber content
- Manufactured under alkaline (acid-free) conditions for increased longevity and performance

Domtar performance commitment

Domtar's digital and inkjet products are designed and recommended for digital and inkjet production presses, desktop printers (laser and inkjet) and copiers within the limitations specified by the original equipment manufacturer.

We partner with leading OEM's to print test and certify our inkjet products as fit for use on a wide variety of equipment. Domtar's products are optimized for runnability on press and through post-processing. Our surface treatment will enhance print quality compared to untreated stocks when using pigment inks. And our products are suitable for offset pre-print. As always, Domtar stands behind our commitment and our products.
