product features

- Enhanced surface for superior ink adhesion
- Super Smooth print surface makes images more distinct
- 96 brightness with true white shade
- Excellent opacity for minimal show-through
- 3-star rated for HP Indigo 5500 series and higher presses

common uses

- Booklets
- Brochures
- Business Collateral
- Direct Mail
- Manuals

recommended equipment

- HP Indigo
- Xerox iGen and Xerox DocuColor Series
- Kodak NexPress
- Canon ImagePress Series and CLC Series
- Konica Minolta bizhub Series

electronic imaging guarantee

Domtar's Digital Products are guaranteed to run on digital production presses, laser and desktop inkjet printers, copiers and plain paper fax machines within the limitations specified by the equipment manufacturer. The guarantee excludes issues related to form design, converting, post-processing or equipment. Selection, handling and conditioning of digital papers consistent with equipment manufacturing recommendations is the responsibility of the end user. Domtar encourages testing of digital papers prior to purchase of large quantities. Samples are available by request.
